PROFESSIONAL PROFILE

Professional in Graphic Design with experience in digital design, motion graphics, and visual communication for brands. I have worked on omnichannel campaigns, retail advertising, audiovisual content, social media assets, digital ads, and email marketing.

I currently work as a Designer at ShowHeroes Group, creating digital advertising solutions for Connected TV (CTV), Online Video (OLV), and interactive formats. I combine design, visual storytelling, and technology, integrating artificial intelligence tools into creative workflows.

WORK EXPERIENCE

Designer | November 2026 to present

ShowHeroes Group, Bogotá, Colombia

Design and development of creative solutions for digital advertising, focusing on Connected TV (CTV), Online Video (OLV), and interactive ad formats. Conceptualization, production, and adaptation of visual and audiovisual content, motion graphics, and animation for multiple digital platforms in collaboration with creative teams.

Graphic designer and creative | January 2025 to October 2026

D1 S.A.S, Bogotá, Colombia

Designed and produced visual assets, motion graphics, and audiovisual content for digital channels and internal communications. Created animations and videos for promotional campaigns, ensuring visual consistency, multi-format adaptability, and alignment with brand guidelines.

Junior graphic designer | May 2024 to January 2025

Dafiti Chile, Bogotá, Colombia

Developed and adapted graphics, animated assets, and audiovisual content for social media, commercial campaigns, and email marketing, aligned with brand guidelines and digital communication objectives.

Graphic design intern | August 2023 to January 2024

D1 S.A.S, Bogotá, Colombia

Supported the adaptation and production of graphics, animations, and audiovisual content for digital formats, social media, and internal communications, including institutional campaign assets, photography, and animation.

Sergio Coll Ramírez
