CV / EN

Graphic Designer | Digital Design & Motion Graphics

Professional Profile

Professional in Graphic Design with experience in digital design, motion graphics, and visual communication for brands. I have worked on omnichannel campaigns, retail advertising, audiovisual content, social media assets, digital ads, and email marketing. I currently work as a **Designer at ShowHeroes Group**, creating digital advertising solutions for Connected TV (CTV), Online Video (OLV), and interactive formats. I combine design, visual storytelling, and technology, integrating artificial intelligence tools into creative workflows.
